# London International Shipping Week 2025

---

London International Shipping Week (LISW) is one of the most important global shipping and maritime events in the world. LISW will celebrate 12th anniversary in September 2025, playing host to thousands of international industry decision-makers who will attend the hundreds of events throughout the week.

We will have multiple sponsorship opportunities for BPA events taking place over LISW which will increase your organisation's exposure, speaking opportunities to the wider maritime industry, and help connect you with industry experts. These opportunities include:

- Seminar sponsorship
- Reception sponsorship
- Hosting events

# Webinars

---

The BPA plays a crucial role in representing the interests of UK ports to various tiers of national and devolved governments within the UK and our membership handles 86% of all UK port traffic.

Through our BPA webinars we provide a valuable resource for members, fostering collaboration, knowledge exchange, and advocacy within the industry.

Our webinars can benefit members by facilitating network opportunities, sharing knowledge and best practice and help port members understand policy developments and regulatory changes.
