

VTS Vacancies

Harbour Control Officer

Poole Harbour Commissioners (PHC) are seeking to fill a Harbour Control Officer Vacancy. Candidates should ideally have previous experience in marine navigation and hold a current V103 certificate of competency and VTS logbook issued by the MCA.

The Harbour Control Officer is responsible to the Harbour Master for the safe management of all marine activity within the limits of Poole Harbour. The successful candidate will be part of a team of five, covering 365 days of the year, on a 12 hour single handed watch system.

In addition, candidates must be able to remain calm and professional whilst under pressure and should have excellent communication skills.

Salary information can be obtained on application.

The post is available from June 2019.
